Dear Colleague

Trust Operations Manager

Thank you for expressing an interest in joining the Newbury Academy Trust. Enclosed is a range of information to help you with your application. Our prospectuses are available through the Trust website: www.newburyacademytrust.org.

Trinity School is the lead school in the Newbury Academy Trust; Fir Tree Primary School and Speenhamland Primary School are part of our Trust. We provide an exciting and innovative curriculum for pupils and students, as well as many exciting enrichment opportunities. We are committed to CPD and life-long learning, providing many opportunities and benefits for staff development across the Trust, in research and in our growing training teachers' programme.

We are seeking colleagues who are committed and focussed on being part of a team that is dedicated to ensuring all our young people leave with excellent exam results and the skills they need for the modern world. In return we offer a dynamic environment with excellent support from an ambitious senior staff.

If you have enthusiasm and energy and want to be part of our high performance culture working to ensure:

- Our whole community enjoy the very best facilities and experiences;
- Aspirations are raised for our young people;
- Our pupils and students are happy, supported and motivated

then I would be pleased to receive your application. Together with your completed application form I would also request an accompanying letter of no more than two sides of A4 outlining your previous experience and how you will fulfil the role. Within this letter please detail examples of your successes, especially how you have had a positive impact in your previous roles.

I look forward to receiving your application.

Yours sincerely

Dr Charlotte Wilson
Executive Headteacher
